

## Social Committee Meeting – 11-11-2020

Attendance: SS (Social Chair), SWC (President), MP (VP), EW, EP, AG, SB, DM, NG, NE, HR, LH, LJ, CA, SU, IE, MO, EG

Location: A Zoom Call. MP was about 20 mins late so CA minutes the first half of the meeting

### Ideas for Events

SS We are very restricted for any in-person events due to COVID restrictions, we could host something for livers-in in the bars, but am hesitant to do so due to potential fallout if COVID is spread. Primarily will be online, as are some upcoming Outreach events. What could we do that will get better attendance than an average zoom quiz? Let's plan something every week.

### Bingo Night – Sunday 15<sup>th</sup> November

SS We tried this in Freshers' Week, it's a lot less fun than in-person, but might be successful.

EG People I frepped really enjoyed it, prizes could give a good incentive. Household activities are less scary than individual activities.

CA During frepping some freshers didn't enjoy the bingo as they sat far away from the screen so that all 18 people could see, but then couldn't actually see properly. Maybe we should recommend that people use multiple screens/laptops, but with all but one muted.

SS Make sure to get rhymes ready in advance. Hard to say exactly how many people will be keen.

SWC As long as you don't handle the cards loads, we should be able to drop them off health & safety-wise.

SS Order one set of cards for now, we can order more if we have higher demand.

LH & EG to prepare and host, LJ to sort bingo cards and distribute.

### LH's Lip-Sync Event – Wednesday 18<sup>th</sup> November

SS This is quite a creative, designed for online event – how could we get this off the ground? There could be a budget for the prize. Think outside the box for this.

LH & EP to organise and host

## Xmas Pub quiz

SS Quite self explanatory. Try to have a varied set of topics/rounds.

SB & DE volunteer to organise this.

## Online Formal – Friday 27<sup>th</sup> December

SS Elizabeth is keen for an online Christmas Formal, including singing the 12 days of Christmas and her reading a poem. People can have food delivered and decide themselves if they want to take part in the online event. Other colleges have organised wine delivery services, I think we should hold off on that.

CA We could potentially organise some sort of Dessert delivery.

SWC Outreach could potentially want to get involved with this.

NG Could we talk to places about doing a takeaway deal, perhaps get a discount, I know a lot of places are currently struggling.

SS Food should be £6-9. Try not to get Pizza as it's not really a formal food (nothing against it though). Make sure to meet various dietary requirements. I think we should assume 20-30 households, so tell the place it's unlikely to be more than 30 separate addresses, and we can slightly stagger deliveries.

CA We could organise a Note delivery system, it could be quite fun, even if some of the spontaneity is lost.

CA to organise food. AG to design a note by Monday 16<sup>th</sup> November. SS to send AB contact and size details. Delivery of cards on the 27<sup>th</sup> to be sorted by NG (to Viaduct and Nevilles Cross), MO (to Claypath & Gilesgate), IN (to Parsons)
