

Welfare Campaigns Meeting – 29-11-2020

Attendance: ES (Senior Welfare Officer), HH (Campaigns Manager), SWC (President), MP (Vice-President), IA, GT, BC, TAF, HM (EM Rep), CA, GF, MPi

Apologies: JGa (Female Welfare) JG (Male Welfare),

Location: Zoom

Feedback on Looking up in Lockdown

HH Seems like a success, got a lot of information out. We could use a bit more communication – even if you're busy that's ok, just need to know.

ES It was great!

Plan for learning styles

HH We're going to have to push this back, would be better to do it in January. We could do a bit of work for this over Christmas – it'll give us less to do when we come back. Link will be on agenda. We're just carrying on with where we left off before lockdown. Have a look at what we've got so far on MS Teams.

IA Are we sticking to MS Teams?

HH Yeah, let's try and keep it all on the same platform.

“Self-Welfmas Calendar” (Working Title)

HH We don't think a campaign would be super useful, so ES and I have suggested a 12 Day calendar thing

ES The 12 Days thing could be too similar to Outreach – do we have any ideas for names/structure of a wellbeing event

HH Recipes etc that can be shared, various wholesome activities, we need ideas

MP Something to do with Advent Calendar?

ES I've come up with “Self-Welfmas Calendar” – the more you think about it the worse it gets. I'll set up a platform we can all contribute too.

HH We could do a prize of some kind as it gets people to share. Any thoughts? Some sort of books or self care package.

CA We could recommend good self-care books

ES As a team could you guys help with something like a “something im proud of this year”? That would be useful but if you're not useful,

GF We could do something with a different picture with different masks etc.
