Apologies: EP, NG

Absent: EM (Formals Manager)

Location: Zoom

Social comm social

SS 3rd of June, 8pm. Be there or be square. Will obviously be following COVID restrictions.

Updates for Cuth's Day

LJ tribute act: Britney booked, spice girls contract to be approved. Basically, picked all the acts we want. Inflatables will be booked. Food: Fish and chips or burger.

MW Fish and chips at day, burger later

LJ True. Do we want rock candy?

LH Could this be a choking hazard?

LH is mocked for this comment

SS 'I am the risk assessment'

MW We could hand sweets out w/ t shirts

LJ Sex on the beach will be served as a cocktail, there will be a pimms stand – T shirt designs have been sent to CA – design is basically palm tree with tiger

MP Please get the shirt design to me ASAP. Preferably by the 23rd, definitely by the end of May

Food

SB I've been in contact with Churros and burgers and fries trucks. Have to see which is better. Need to finalise. Ice cream van. Pizza guy? Would that be good.

MW Find a vegan one.

SS 'bean social'

EW The Pancake guy hasn't got back to me, but I've got burger quotes for various scenarios.

Beach Hut Stage

SS For the highlights people, they have a beach hut thing – can be a mini stage

MP *Reminiscing about playing at the smallest shittiest substage at June ball 2 years ago*
I think side stages can be problematic for both performers and audiences.

SS Beach hut could be a place to chill. We will have to sort the sand. Incoming exec can sort it. It would be in house 13 garden – its on top of a tarpaulin

SWC Can we have a sandpit?

SS *complex sand plan on the next day*

SWC Has her concerns about the sand plan

MW updates her profile pic mid meeting – didn't realise we were boring her

MW Max 4 vans in the Wendy garden really. Need to decide how much to pre-pay.

SS How is site map LH?

LH It's going well. Will have it by Sunday

SS Decorations (see last meeting) – starting to think about what decs we want.

LJ A lot of obvious things – deckchairs (bar staff to clean?) – I think that would be nice.

SS Blue and white awnings?

LJ Beachy stuff on the drinks. Hawaiian type stands Tiki huts. Could be cute.

SS LJ should make a Pinterest group w/decoration team

LJ We could do driftwood signs – obvious stuff like hammocks and paddling pools.

Silent Disco Playlists

SS Silent disco playlist?

SWC I am actually going to be working, so I might not be able to DJ the entire time. I will create a playlist with a friend

IE on Charts

S 'I do not stick to the divides' WC – Cheese

MP indie/HotGirlSummer

Playlists should be best part of 3 hours

NE Found 4 photographers for cuth's day – 2 of them will do summer ball if needed.

MW Reminds everyone to put their Cuth's Day profile picks up

Summer Ball

LE is summer ball manager

LE Theme is fly me to the moon.

Shares screen to show this mood board

Various inspirations. Very star heavy, blue uplighting, navy sashes. Fairy lights in glass jars.

Flying saucers, pick n mix stuff in tin cans or jars – currently unsure how to package snacks

SS Remember this must be ready for 1000 people

SU Drawstring bags for stars? Cellophane bags?

LE I want a big moon and the CUTHS lights. For smaller decorations need star lanterns and tapestries from amazon. Lots of fairy lights etc. LED balloons, drapes. Could get strings of stars off amazon.

SS like a bead door but stars. Production should be able to do this.

LE for large ents a zoom with laser tag – EG to sort. Apparently has happened at cuth's day before. Tarot card readers. Space hoppers? Quite cheap/ would people use them? Don't know where they'd hop.

SS We should do a dance machine. Could anyone look into a Dance Dance Revolution thing

EW will

LE SS said photographers are sorted – can we get a videographer.

SS Derwent might have said what videographer they are using – 'boogie night'

LE Can we organise a photobooth?

MW AR ents will sort that and find a theme.

LE Star glasses. Would be fun to have on tables.

CA Mooncakes? A thing to eat?

SS If we get fortune cookies they have to be positive. *Tells an anecdote about her being nasty to people and telling them they were going to die through fortunes at 6th form "to keep it realistic"*

LE For food, I would like a pick n' mix. Pizza vans go down well.

SS Doesn't have to be too big or too on theme.

LE For music need to go through a list

SS People struggle to fill out a form. Need a DJ too. Could we get VimSpace (A Cuth's DJ)

LE Getting cuth's people is a risky thing.

SS Would he really want to not enjoy himself?

LE There was a really good girl who auditioned, for singing fly me to the moon etc. during dinner (MG)

SS Tech said just a singer and keyboard is easy during the big meal, a band is much harder

LE to look into DJs.

MW We do have a lot of time due to restrictions

LJ offers to help, but she will focus on cuth's day.

SS Prioritise your mental health and work well.
