That, for future Michaelmas Balls, Summer Balls, and Feasts of St. Cuthbert, Cuth's students who receive the maximum Durham Grant (annual household income of less than £25,000) will be eligible for half-price dinner tickets.

That these students should email the FCO to provide proof that they receive the Durham Grant in order to receive a discount code which halves the price of a dinner ticket. This proof must be sent at least 48 hours in advance of tickets going on sale.

That transfers of dinner tickets can only be completed up to 24 hours before wristband collection, so that the President or FCO can check that those who applied the discount code have also emailed proof that they receive the maximum Durham Grant.

The Boat Club has around £14,000 in reserves which will be spent on large purchases in the next 4-5 years, before large sums of money are asked from the JCR.

Large purchases, such as new boats, would be agreed with the trustees and then paid for out of JCR reserves.
